Who We Are

The Future of School Management & Student Success

EdzeeSmart is an **all-in-one** digital platform designed to transform the way schools teach, manage and grow.

We combine the power of **AI-driven learning** with a comprehensive **School ERP** to help every student reach their full potential.

“

Our Mission is simple:
Every Student Can Reach Distinction.

Our Vision

Empower every school to deliver excellence consistently.

Our Mission

Improve learning outcomes through assessment, recovery and continuous practice.

Our Promise

Technology that simplifies work and drives real results.

What Drives Us

Student First

Every decision we make puts students and their future at the center.

Innovation

We constantly innovate to make learning more effective and engaging.

Partnership

We grow together with schools, teachers and parents.

Impact

We measure success by the real impact on student outcomes.

The Reality of Today's Classroom

Every class has a mix of learners with different levels of understanding.

The Challenges Schools Face

Different learning pace in every classroom

Low engagement

Exam anxiety

Time consuming evaluations

Manual follow-ups

Poor visibility of progress

Lack of personalized support

Parent communication gaps

VS

The Impact

Low academic performance

Parent dissatisfaction

Increased teacher workload

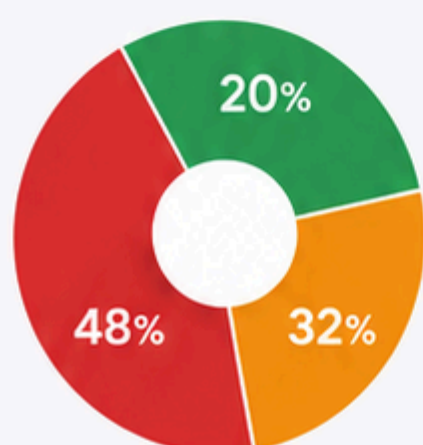

Learning gaps keep growing

Missed opportunities for improvement

Hard to track real growth

- 20% Distinction**
 Students excelling with the right resources & support
- 32% Average**
 Students who can do better with guidance
- 48% Struggling**
 Students who need extra attention

**Potential is everywhere.
The right support is not.**

EdzeeSmart ensures every student gets the right support at the right time.

Most Platforms Stop at Assessment

They test students, show reports, and leave **improvement** to chance.

The Problem

Students get scores, but not solutions.
Improvement is missed.
Potential is wasted.

What Happens in Traditional Platforms

-  **Assessment**
Evaluate understanding
-  **Weakness Detection**
Identify learning gaps
-  **Personalized Recovery**
Get the right help
-  **Practice**
Strengthen your concepts
-  **Challenge**
Test your mastery
-  **Distinction**
Reach your highest potential

But Students Need More Than a Score

-  **Guidance** What to improve
-  **Practice** Where to improve
-  **Feedback** How to improve
-  **Support** When to improve
-  **Motivation** Why to improve

-  Assessment is just the beginning.
Improvement is **the journey**.

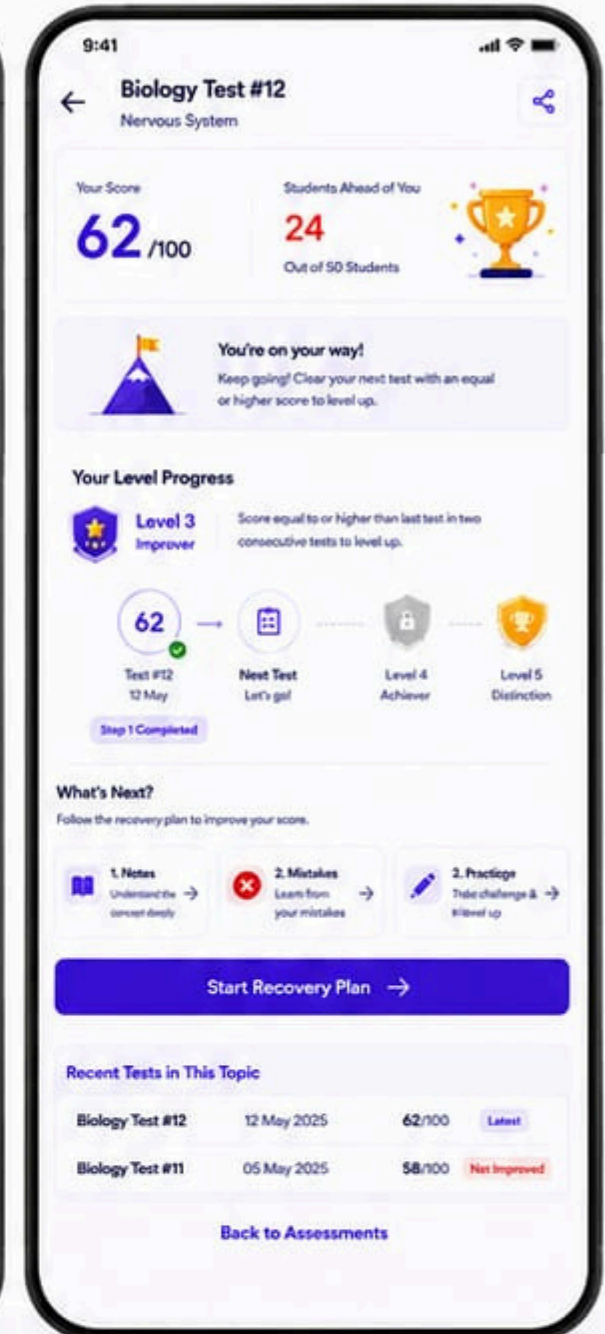

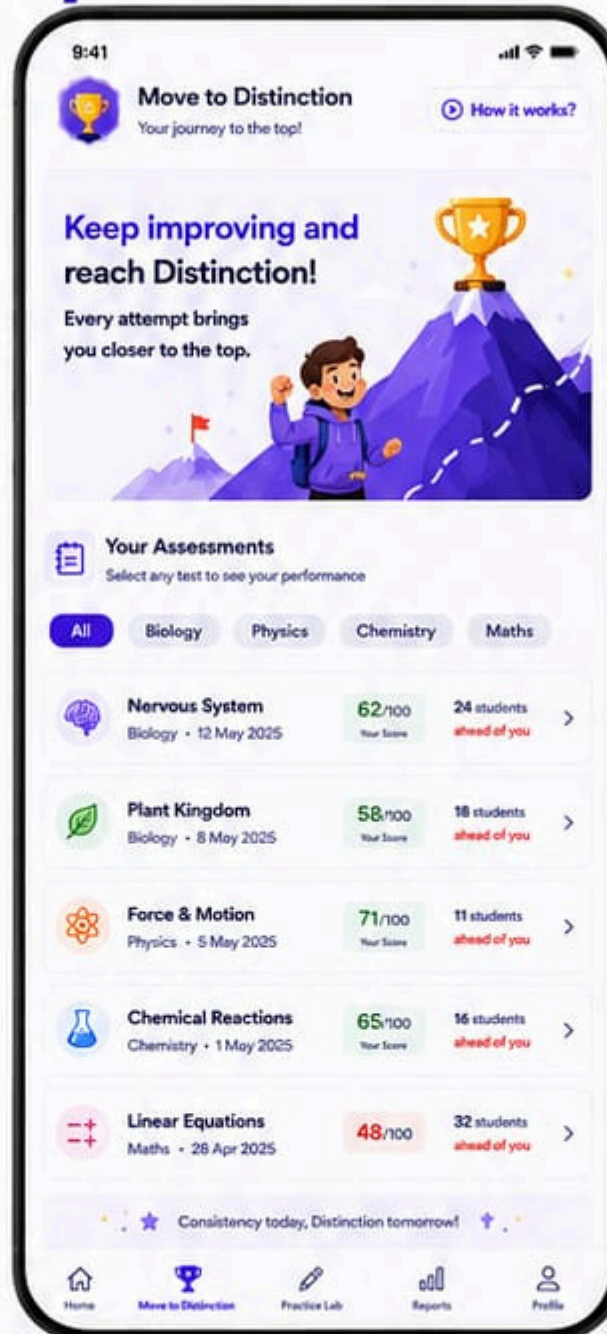

Testing without guidance is just data.
Growth happens with the **right steps**.

EdzeeSmart Starts Where Others Stop

We don't just measure performance,
we create **improvement**.

-  **Assessment**
Evaluate understanding
-  **Weakness Detection**
Identify learning gaps
-  **Personalized Recovery**
Get the right help
-  **Practice**
Strengthen your concepts
-  **Challenge**
Test your mastery
-  **Distinction**
Reach your highest potential

Every attempt brings you
closer to **Distinction**.

The EdzeeSmart Advantage

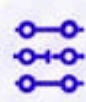

Continuous Cycle

Assess → Improve →
Practice → Excel
(Repeat)

Data + AI + Human Intelligence

Smart insights + expert
strategies for every
student.

Personalized for Every Learner

Adaptive paths
designed for individual
growth.

Visible Progress

Track improvement
at every step of
the journey.

From Average to Distinction

We don't just help
students score.
We help them excel.

**“ We turn test results into learning breakthroughs
and learners into **achievers**. ”**

Student App

Everything You Need in One App.

EdzeeSmart Student App empowers learners to learn better, practice more and achieve greater every day.

Smart Learning

Access notes, videos, e-books and study material anytime.

Practice & Assess

Attempt tests, quizzes and get instant results.

Track Progress

View performance, strengths, weaknesses and improvement tips.

Personalized Learning

AI-powered recommendations just for you.

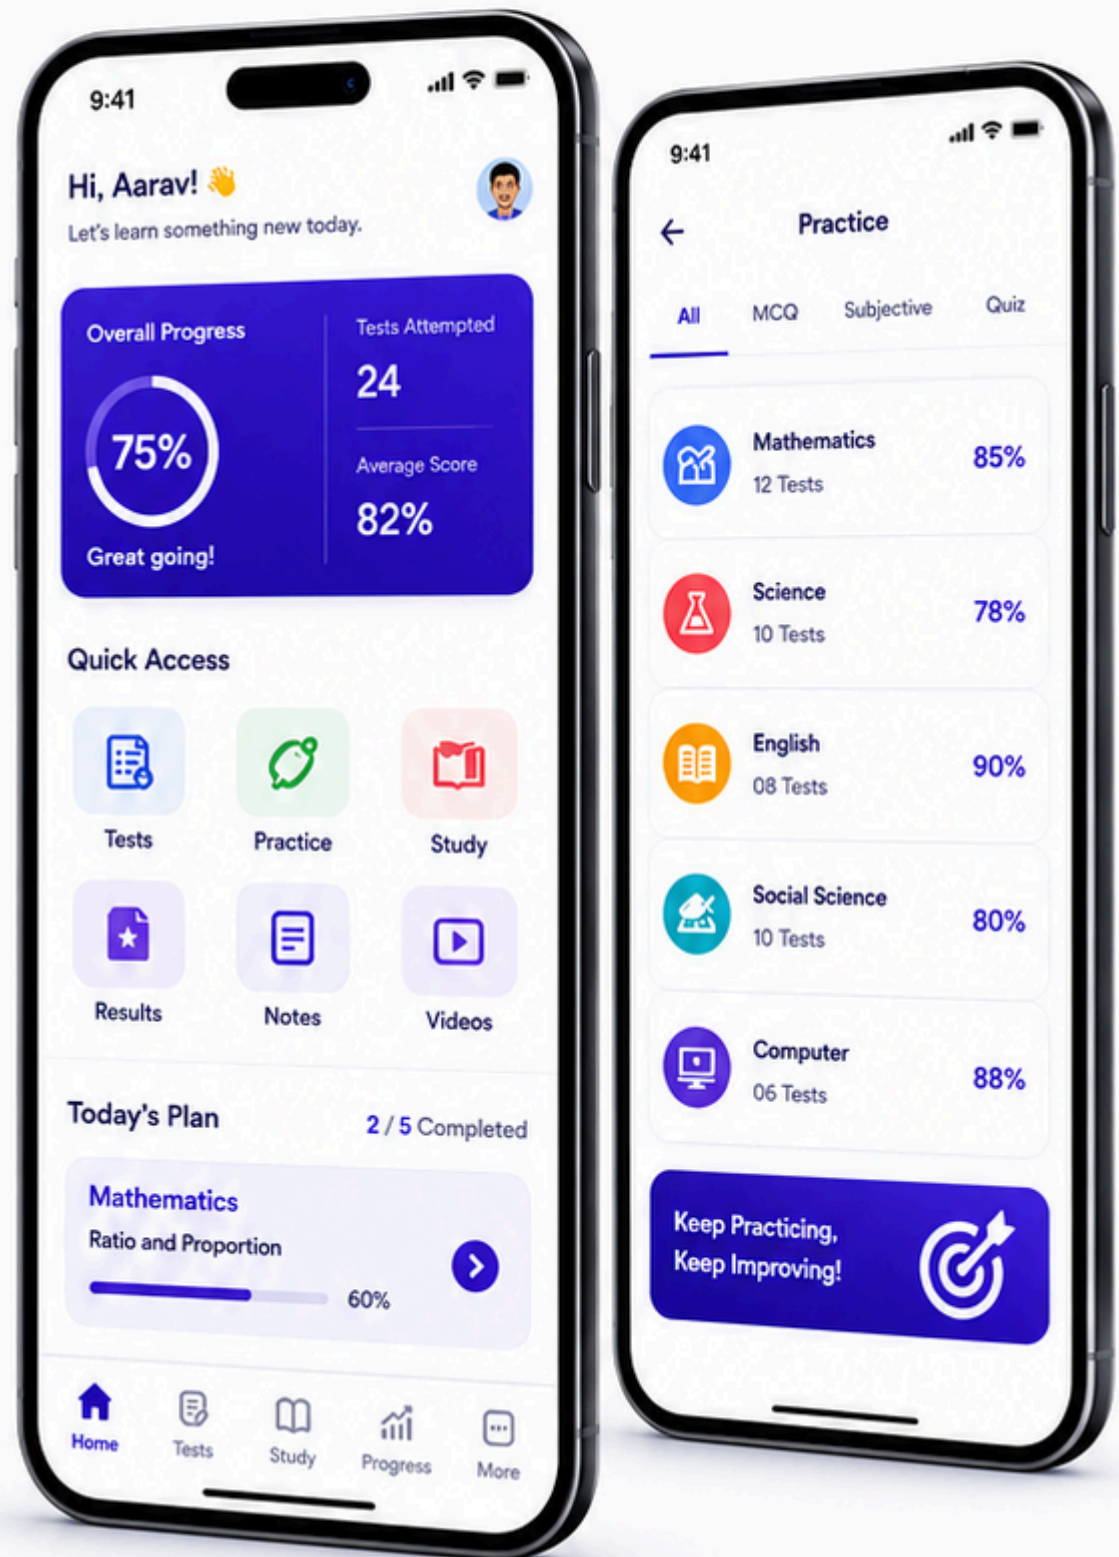

Earn & Achieve

Earn badges, points and move closer to distinction.

Stay Updated

Get important alerts, notifications and class announcements.

Secure & Safe

Your data is always protected.

Easy to Use

Simple interface. Powerful experience.

Learn Anytime

Anytime, anywhere on any device.

Real Results

Insights that help you improve and excel.

Made for Students

Designed to make learning smarter and better.

“ My study. My pace.
My progress. My future.

01

DIAGNOSE

Find What You Need to Work On

- Smart assessments & quizzes
- Detailed gap analysis
- Concepts you missed
- Priority topics identified

We find the gaps.
You focus on what matters.

02

PERSONALIZED PLAN

Your Path. Your Pace.

- AI creates your unique plan
- Personalized goals
- Recommended resources
- Smart time allocation

A plan made for you,
helps you succeed.

03

PRACTICE

Practice Smarter, Not Harder

- Targeted practice sessions
- Topic-wise exercises
- Hints & solutions
- Learn by doing

Focused practice builds
strong understanding.

04

IMPROVE

Track Progress. See Results.

- Track improvement over time
- Visual progress reports
- Celebrate achievements
- Keep getting better

Small steps. Big progress.
Better every day.

Powered by Smart Technology

Benefits That Make a Difference

No one left behind. Every learner moves ahead with confidence.

“The Recovery Engine helped me focus on my weak topics. Now I understand better, score higher and feel confident in every test!”

— Ananya, Class 9 Student

Identify Gaps

Personalized Plan

Practice Smart

Achieve More

Practice Lab

Learn Your Way.

EdzeeSmart Practice Lab helps students **practice smarter** with unlimited questions, real-time feedback and personalized support.

Topic-wise Practice

Practice questions by topic, sub-topic and difficulty level.

Multiple Question Types

MCQs, True/False, Fill in the blanks, Match the following & more.

Instant Feedback

Get immediate results with detailed explanations.

Smart Recommendations

AI suggests what to practice next based on your performance.

Track & Improve

Track progress over time and identify weak areas.

Build Confidence

Practice more. Improve accuracy. Score higher.

Mathematics > Linear Equations

Question 4 of 10

Solve for x:

$$2x + 5 = 15$$

☐ A $x = 5$

☒ B $x = 7$

☐ C $x = 10$

☐ D $x = 15$

Correct!

Great job! You selected the right answer.

Explanation

$$2x + 5 = 15$$

$$2x = 15 - 5$$

$$2x = 10$$

$$x = 5$$

Smart Assessments Beyond Traditional Tests

EdzeeSmart helps you create engaging assessments that **evaluate knowledge**, **build understanding** and drive real **improvement**.

Multiple assessment types for every need

Instant evaluation & insights

Encourages practice and participation

Builds confidence and performance

Supports personalized learning

• Types of Assessments You Can Create •

Quiz

Quick quizzes to check understanding and recall.

Homework

Assign homework to keep learning going beyond class.

Classwork

Conduct in-class assessments and activities.

Competition

Organize friendly competitions to boost performance.

Exam

Create exams with time limits and auto-evaluation.

• Question Types You Can Use •

- ✓ MCQ (Single/Multiple)
- ✓ True / False
- ✓ Short Answer
- ✓ Long Answer
- ✓ Attach File (Upload Document)

Check Tests. Understand Progress. Boost Learning.

For Students: Personal & Group Quiz Invitation

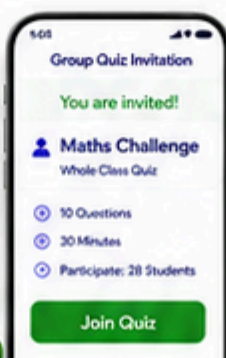

Personal Quiz

Invite individual students for quizzes created just for them.

Group Quiz

Invite groups or whole class to participate together.

For Teachers

Teach Smarter, Lead Better.

Empower educators with AI-driven tools that simplify classroom management, automate routine tasks, and help every student succeed.

Attendance Management

Track attendance instantly with real-time updates and automated records.

Class Analytics

Gain actionable insights into student performance, engagement and learning trends.

Leave Management

Approve and manage leave requests quickly through a centralized workflow.

PTM Scheduling

Organize Parent-Teacher Meetings efficiently with smart slot booking.

Assessment Builder

Create quizzes, assignments, classwork and exams in minutes.

Student Reports

Monitor individual and class progress through detailed reports and analytics.

Voice-to-Assessment

Convert spoken questions into ready-to-use assessments instantly.

Scan & Generate

Upload handwritten or printed content and transform into digital assessments.

Media-Based Learning

Add images and visual content to create richer learning experiences.

“
Teach More.
Manage Less.”

Automate repetitive tasks, gain deeper insights, and focus on what matters most—inspiring learning.

AI-Powered Teaching Intelligence

Leverage smart analytics to identify learning gaps, recommend interventions, and improve classroom outcomes.

AI Helps You:

- ✓ Identify struggling students early
- ✓ Discover class-wide learning trends
- ✓ Get intelligent question recommendations
- ✓ Monitor performance in real time
- ✓ Make data-backed teaching decisions

“ Save time. Improve outcomes.
Teach with confidence.”

Teaching Today, Transforming Tomorrow

How Today's Generation Deserves to Be Taught –
Backed by Research, Built on Standards

“ Education is not the learning of facts,
but the training of the mind to think.
– Albert Einstein

What Research & Experts Say

Students retain 75% more when they are actively engaged in the learning process.

– Harvard University

Collaborative learning improves critical thinking and problem-solving skills.

– Stanford University

Social and emotional learning is essential for academic success and life skills.

– CASEL (Collaborative for Academic, Social, and Emotional Learning)

Students learn better when technology is used purposefully and effectively.

– OECD Report

Personalized learning can improve student achievement by up to 30%.

– McKinsey & Company

Teach According to Global Standards

Learning Goals

Start with clear, measurable outcomes for every student.

Student Centered

Focus on individual needs, interests and learning styles.

Skill Focused

Build critical thinking, creativity, communication & collaboration.

Technology Integrated

Use technology to enhance, not replace, teaching.

Assessment for Growth

Use data and feedback to improve learning continuously.

Well-being First

Support mental, emotional, and social well-being of students.

The 4C's for 21st Century Learners

“ Today's students need more than knowledge – they need skills, mindset, and purpose.
As educators, let's prepare them not just for exams, but for life.

Empowered teachers create empowered learners.

Teach Smart. Teach Right. Teach for Tomorrow.

One School ERP. Every Need Covered.

EdzeeSmart ERP automates operations, connects stakeholders and drives **excellence** across every function.

**One Platform.
All School Operations.**

Smartly Connected.
Simply Efficient.

All modules work together seamlessly to create a **smarter, simpler and more connected** school environment.

Secure
Your data is always protected.

Cloud Based
Access anytime, anywhere.

Scalable
Built to grow with your school.

Reliable Support
We're here when you need us.

From admission to alumni, EdzeeSmart manages it all.

**You focus on education,
we handle the rest.**

Why Choose EdzeeSmart?

EdzeeSmart School ERP is designed to simplify school management, save time, and create a **better learning experience** for everyone.

Smart

Smarter insights for better decisions.

Connected

Bringing teachers, students and parents together.

Secure

Your data is safe with top-grade security.

Reliable

A platform you can count on, every single day.

Benefits for Everyone

Benefits for Teachers

- Easy attendance marking
- Create assessments in minutes
- Access real-time class analytics
- Approve leaves on the go
- View PTM slots and updates
- Check student reports instantly
- Use voice, scan or images to create assessments
- Get AI insights for better teaching
- Save time and focus on teaching

Benefits for Students

- Access timetable, assignments and resources anytime
- Get instant updates and announcements
- Track progress and performance easily
- Attend online classes and submit work seamlessly
- Stay organized and never miss a deadline
- Communicate with teachers effortlessly
- Learn better with smart recommendations
- A safe and engaging digital learning experience

Benefits for Schools

- All operations in one unified platform
- Better data-driven decision making
- Improved communication across the campus
- Enhanced transparency and accountability
- Streamlined fee and financial management
- Stronger security and role-based access
- Scalable solution that grows with your school
- Improve efficiency and boost overall productivity

Reduce Workload, Increase Impact

Automate Routine Tasks

Automate attendance, reports, timetable, notifications and more.

Centralized Data

All your data in one place. Easy to access, easy to manage.

Better Communication

Connect with parents, students and staff instantly.
